Hello Phlock - Message from the Prez

The 3rd quarter for the Arizona Parrot Head Club has been a great one and a sad one.

Don't forget to vote in the national election, if you want change you must participate.

The Loss of one of the Phlock

A good and dear friend passed away in August. Eric Parker AKA. Cheap Bastard, Cat Nip. He will be missed. Fish on my friend!

Christmas in July

This was hosted by Barb and John Young. A great time was had by all collecting for Andrea's Closet and items for the troops mailings. Thanks Barb and John

Parrot Grande

It was a great weekend and thanks to everyone who volunteered to help with the mini-mart, silent Auction and Raffle. The Phlock should be proud we raised nearly the same amount as last year with fewer attendees.

Looking Forward

We have our migration to the north valley to Greasewoods Flats happy hour Nov. 15th. The last event for the year will be the BOD/Club meeting/Holiday Party at the Bauman's on Dec. 6th.

Change in BOD

In September Steve Cantwell resigned from the BOD. We thank Steve for all his help; his presence will be missed. Tammy Bauman has agreed to fill his spot on the BOD for the remainder of 2008.

Remember Party with a Purpose!

Migration 2008 By Kathy Pfister

An intrepid group of Arizona Parrot Heads went up to Sin City in July for Migration. Migration is sponsored by the Las Vegas, Los Angeles and Orange County PHCs and those people know how to throw an excellent party!

The gathering was at Hooter's Hotel and Casino and there were Parrot Heads from all over. It was great seeing our friends from California, Nevada, Idaho and other parts of the PH world.

The musical lineup was fantastic! It was amazing to see all of these folks in one short weekend: Jim Morris and the Big Bamboo Band, Stars on the Water, Sunny Jim, Coral Reefer Madness, Tommy Rocker and Conched Out, Jimmy and the Parrots, Jim Hoehn, John Frinzi and Bob Karwin.

A lot of folks hadn't seen Jimmy and the Parrots before because they're East Coasters but they were the hit of the weekend. They absolutely rocked the place.

A real bonus with these regional events is the chance to see new performers, especially for newer club members. Funny story: Steve Schroder and I were gabbing and he said, "There's this singer here who is *really* funny! Have you heard him, his name's Bob Karwin." Heard him? Heck, I've stalked him. I was happy to introduce the two of them. That's the second bonus of these events. The entertainers are usually super friendly and really interested in meeting their fans.

Mark your calendars for next year. Migration will be held on July 24-26th, 2009.

CHRISTMAS IN JULY Barb Young

There was a new reason to "party with a purpose" this past July: a Parrot Head Christmas in July Party at Barb and John Young's house. Saturday, July 12th the Monsoon Gods smiled upon us and kept to themselves. Consequently we had a good turn out and a great time! After the Board Meeting, there was a short Club Meeting to introduce everyone and welcome some new members in attendance. The nice pholks at Hensley donated some Land Shark and Bud Light Lime to the cause and our new Margaritaville Blender was humming all night long. A mere mortal blender would have succumbed to the mass quantities of margaritas it was asked to produce. After the arrival of Pimp Daddy Santa and his Evil Elf, the party kicked into high gear. Against her better judgment, Crash executed a perfect Belly Flop into the pool. The next day, as our pool filter was gagging, we found a red head band inside. HmMMMM...wonder who's that was! If you saw the pictures, you know Goat tried to seduce Rick with that lovely silver/blonde wig. And, no – I didn't see anything up Mac Daddy's swim trunks!!!

In keeping with our motto, we collected lots of toys for Andrea's Closet and some items for the Troops. There were some door prizes and a heated gift exchange. Geez, you people can get ruthless! Remind me never to bring golf balls, a stuffed pink flamingo or a bottle of Jagermeister to any future Parrot Head gift exchange. Thanks to everyone who brought all the luscious food, too. All in all, for a first-time event, I think everyone had fun and way more than enough libations (you know who you are).

PARROT GRANDE COMMITMENT CEREMONY Barb Young

This year at Parrot Grande, two Parrot Heads celebrated their love for each other with all their Parrot Head friends. On Saturday, PJ Paxson and Mac Daddy Mikovich pledged their lives to each other in a formal Commitment Ceremony presided over by Reverend Barbara Young of the Universal Life Church. They exchanged vows, gave each other rings and promised to share their love and lives together. It was a beautiful ceremony and they were so happy to be able to share it with people whose friendships they cherish. Cake was served quickly afterwards and due to the winds picking up and the threat of a storm everyone was ushered inside to continue the party with "What's his name?" Oh yeah, BOB KARWIN!

Things Overheard at PG

When I go down, I stay down. 72 leg Mary. An Australian kiss is like a French kiss but it's down under. A little higher. You have a 3 some, but now it's a 2 some. I have an itch only your tongue can scratch. All balls, no wipers. I haven't cut up the bottom ones yet, but there's loose ones on top. It's too short, we need to get out of the bushes. Blow jobs cure osteoporosis. I want to be with you tonight, please go drink some water. Look at this bucket of crap. I brought that bucket of crap! Hell I better start drinking, I'm not doing anything sober. That's very Goatish. I'm an amateur virgin at this. Do you play with it? I don't have the energy at the moment-it's gonna be on a plate. Anytime I can get a cream filling. I smell something and it's not good. Something was tickling my fancy in there. Mulligan wear, Mulligan wear, where you going to get your Mulligan wear? It only takes 2 drinks for this group to come back alive. I think I lost my virginity when I gave Roger my pickle. My ear just got French kissed by Cliff Clayburn. Is Goat the only one who got in bed with Kathy? Is this Goat Hefner? Aesthetically the windshield wipers don't look good. I was in the room when we discussed that. She might like an evil dick. Roger gets a bl-- job from the dog. I just hung an air freshener on Goat's a--. Sunday morning I'm glad it's cloudy and I still need my sunglasses. The other prize comes later. Is that just skin under this sheet? At 10:30am, 2 Parrotheads ask the bartender if they can open a tab to their rooms; she answers – yes as long as you close the tab out by 4pm (and they were there to close it at 4pm!). I could play with the Goat anytime. I was picking up some nuts. My hands are at 10 and 2, what she does with my ----; I have no control. Goat put somebody to bed. Troy let out they had sex on a horse. He literally blows it and it makes wild sounds. Blow me Ron Jeremy. I did not get drunk, I got over-served. I'll bring your noodles, but it will cost you a buck a piece. Don't ever put your hand on my butt again. I put it out there and he took it. I can only run circles around you people for so long. Where the hell is you're a-- ? Oops, I detached. I had to touch my head. Why is the Goat wearing a bathrobe? You might as well ask why is the sky blue? I'm in 601; I've been sleeping with a Woody over me every night. Here it comes-you always miss it. \$30 for 20, whose gonna watch Karen while we go to the room? I'll watch Karen for \$50. You dawn crackers. I'm the type of guy that helps unwed mothers get their start. Geez what a loser and I only date lesbians. How often do you get to sit on a Goat? Can I play with your noodles? White as a Goat.

PARROT HEAD APPRECIATION PARTY

Barb Young

Saturday, Sept. 13th was the first-ever Parrot Head Appreciation Party, held at the Chandler Radisson Hotel. This was a nice casual party and a way for all the Parrot Head Club members to renew some old friendships and meet a few new members. Festivities started at 2PM poolside with some great local talent. We were entertained by our very own Rocket Man Sam Rainwater, Steve Chitwood, Steve and Rocky's son Jesse, Alan Tarr, Crime Dog, Wood-Eye, and the Pirate Captain. Who knew we had so much talent among us? Everyone had a great time sipping festive cocktails and just enjoying the afternoon. There were lots of new members and quite a few old phriends we hadn't seen in a while, too - a grand total of 95 Parrot Heads! Around 6PM, everyone went to the party room for dinner on the club – Cheeseburger-In-Paradise style. Not only were there cheeseburgers, there were hot dogs, too, and all the fixin's. Even cookies and luscious brownies for dessert. After the eatin', we commenced to partyin'! Lead by the awesome Brent Burns, there was dancing, singing and the usual tom-foolery. The Flamingo Queens started the dancing and it never stopped all night. Goat was on a picture-taking rampage and no one was spared (just a few of his masterpieces are shown here). Our Pirate Captain set up the projector for a slide show of this year's events, proving once again that we are professionals when it comes to being able to Party with a Purpose. Toward the end of the night, the old "let's-get-a-luggage-cart-and-ride-around-on-it" idea reared it's playful head and once again, quite a few people escaped without injury. As the party started to wind down, the last die-hards could be found in the lobby bar. Thanks to the Club for providing all the food, music, and talent that made this party a huge success. If you missed it, you missed a great time!

Typical Parrothead sign!

This one's for you Goat!

Brent Burns did an awesome job!

Goat gets down to Kathy F.'s height!

It's midnight and we are fearless!

Alzheimer's Memory Walk – We're sleeping in this year but we're still participating!

Many of the Parrot Head Clubs across the country are participating in Memory Walks. AZPHC has done the Phoenix walk for years. But, it requires getting up really, really early in the morning on a Saturday and actually walking. So, this year we've decided to just donate and sleep in. The club is donating \$500. If you would like to add to that total, please do so at the following link:
